

Integrated Management System Policy

The Management Team of Guymer Bailey Architects Pty Ltd is committed to quality as a key objective in providing a service which can be relied on to meet the needs and expectations of our Clients and other relevant interested parties. We are committed to comply with the requirements of AS/NZS ISO 9001:2015, ISO 14001:2015 and AS/NZS 45001:2018.

To achieve the above and to continually improve the effectiveness of our Integrated Management System, the Management Team ensures that system review and development is consistently relevant to the context and strategic direction of the organisation, as well as the requirements of its clients and other relevant interested parties.

Measurable quality, safety and environmental objectives / targets are set annually and regularly reviewed to support system improvement and achievement.

Refer also to the Guymer Bailey Architects WH&S and environmental policies for further details and commitments.
